You must pick up the vehicle at the time and date AND LOCATION listed on your confirmation or the reservation will be cancelled. Notify Thrifty Car Rental at (907)276-2855 of any last minute changes or delays. Thrifty has two locations in Anchorage. At the airport they are located in the ground transportation lobby at the south terminal with hours from 6:00am to 2:00am. Their main office is located less than 3 miles from the airport at 3730 Spenard Road with hours from 7:00am to 7:00pm. PLEASE NOTE that if you pickup your car at the airport, you will pay an additional 11.11%, plus \$ 6:50 per day (ACFC) in airport taxes and fees. In order to take advantage of the lower taxes and fees charged at the off-airport site office on Spenard Road, clients must take a taxi to the Spenard Office from the airport to pick-up their car. The cost of a taxi from the Airport to the Spenard Office is approximately \$ 20.00. You can also avoid this fee by having Thrifty pick you up at most Anchorage hotels. Call Thrifty at least 30 minutes in advance to request shuttle. Thrifty has a \$15 drop off charge if you drop off your car at the airport that you've picked up from their Spenard office. RENTALS ARE MADE ONLY IN 24-HOUR INCREMENTS, SO PLEASE CHECK YOUR DOCUMENTS CAREFULLY SO YOU UNDERSTAND EXACTLY WHEN THE VEHICLE IS DUE BACK. There is no grace period, and Thrifty will charge you ½ of your daily rate plus taxes for each hour you return your vehicle back late up to 2 hours late, then full daily rate will apply. Travel is restricted on unpaved seasonal or non state maintained roadways. For example, if you plan to drive the Denali Highway you will not be covered by the Lost Damage Waiver (LDW) and will be responsible for any damages as well as towing charges and arrangements if the car breaks down. If you plan to drive on gravel roads please ask us to send you additional information on road restrictions. If you have any questions on road restrictions or which highways are off limits, be sure to ask prior to departing the rental car office. PLEASE consider purchasing the LDW available directly from Thrifty at time of pick up. This will help prevent additional expenses from chipped windshields or tire damage, which occur more frequently in Alaska due to road conditions. If you do not plan to purchase the Supplemental Liability Insurance (SLI) you will need to bring complete insurance information. Liability insurance is required by the State of Alaska. SLI may be purchased as a supplement or additional liability coverage. Rates for taxes and fees are subject to change without notice and you will pay the current rates at time of pick up. ***NO REFUNDS ARE AVAILABLE FOR EARLY RETURNS***
